

MEDIA KIT

Grace Ify Okoro

Fashion & Beauty Creator · Style. Gift. Connect.

ABOUT

I'm Grace, the fashion and beauty creator behind SHEFYSTYLE(R). I create content that helps women look polished without losing who they are: outfit coordination, product photography, honest reviews and video content built for how UK women actually shop and dress. Every piece is intentional, timeless and true to the brand it's made for. If you want content that connects, sells and looks beautiful doing it, let's work together.

AUDIENCE

Location · Based in the UK
